

Curriculum Vitae

Name: **Teo Jau Shya**
Gender: Female
Tel. No (Mobile): 012-2865193
E-mail add: teojs@crc.gov.my
Age: 32

PROFESSIONAL CERTIFICATION

June 2005 Certified Clinical Data Manager (CCDM)
(by Society For Clinical Data Management, Inc., Milwaukee, US)

EDUCATIONAL BACKGROUND

1999-2002 Master of Science in Instrumentation/Analytical Chemistry,
Universiti Sains Malaysia 2002.
1995-1999 Bachelor of Science (Hons) in Chemistry, Minor in Management
Universiti Sains Malaysia, 1999.

PROFESSIONAL EXPERIENCE IN CLINICAL RESEARCH

1. September 2002 – till now

My responsibilities include the management and monitoring the clinical data in accordance to the GCP (Good Clinical Practice) and GCDMP (Good Clinical Data Management Practices) for Clinical Trial and Clinical Epidemiology studies conducted by **Clinical Research Centre (CRC)**, Hospital Kuala Lumpur. It includes the management of other clinical research data from pharmaceutical organizations. The tasks include the design of the data capture instrument (CRF / e-CRF) and data management, continues with data QC procedures to assure the quality of all aspects of the process, and ends with database finalization prior to data export to statistician.

CLINICAL RESEARCH
